

## Biography

---

Dr Ester di Giacomo, MD, PhD, is a psychiatrist at the ASST Monza (Italy) and a researcher in Neuroscience at the University of Milan Bicocca (Italy). Her main fields of interest are personality disorders, forensic and perinatal psychiatry. In 2016, she founded the BRT Group (Borderline Research and Therapy-Group). She received four awards (one from the Italian Psychiatric association, two from the EPA and one from the IAMLE- Legal Medicine, Medical Negligence and Litigation in Medical Practice). She is a psychiatric member of the AAPDP (American Academy of Psychoanalysis and Dynamic Psychiatry). She has been elected representative of the ESSPD Young Researchers.
